

ATT: Innovation, Science and Economic Development Canada Engineering, Planning and Standards Branch

Address: Regulatory Standards 235 Queen Street Ottawa, Ontario K1A 0H5

Email: [ic.consultationradiostandards-consultationnormesradio.ic@canada.ca](mailto:ic.consultationradiostandards-consultationnormesradio.ic@canada.ca)

2nd day of May, 2018

**To WHOM IT MAY CONCERN:**

Pursuant to Paragraph 8.2.2 –RSP-100 of the ICs Radio Equipment Certification Procedure, we apply for new family certification on the following product(s):

<u>IC Certification Number</u>	<u>Model name(s)</u>
11349A-HMG1816A	HIPAC10PRO, HIPAC12PRO, HIPAC15PRO, PW10PRO, PW12PRO, PW15PRO

They are firmware & hardware identical except for the outside view.

Sincerely, 

---
